PROFESSIONAL EXPERIENCE

Product Intern

CESC Rajasthan, RP-Sanjiv Goenka Group

May 2026 – Present

Rajasthan, India

- Defined end-to-end product requirements and authored comprehensive Product Requirement Documents (PRDs) for a utility demand forecasting tool, achieving a **96%** accuracy rate in forecasted outcomes.
- Analyzed customer consumption trends from **10K+** smart meters to construct user persona profiles, conducting feedback analysis to prioritize critical grid improvements.
- Led cross-functional syncs with engineering and business teams, designing interactive dashboards to align stakeholders on **3** key operational bottlenecks.
- Streamlined data aggregation workflows, reducing operational reporting pipeline latency by **30%** to support rapid executive decision-making.

Product Operations Intern

Thrillophilia

Apr 2025 – Jun 2025

Remote, India

- Synthesized customer reviews and booking records for **15K+** users, translating qualitative user feedback into actionable feature roadmaps that optimized travel itinerary listings.
- Developed and managed operational performance dashboards tracking sales and customer satisfaction KPIs, saving business teams **4+ hours** of manual reporting weekly.
- Collaborated with product, design, and operations teams to deliver weekly product metrics, reducing ad-hoc data inquiry turnaround by **25%**.
- Validated and audited booking datasets, improving marketing campaign targeting and customer database reliability by **15%**.

LEADERSHIP & VOLUNTEERING

Organizing Committee Member

NSS Team, VIT Bhopal University

Aug 2024 – Present

Bhopal, India

- Spearheaded logistics, crowd control, and facility management for a full-scale convocation ceremony hosting **2000+** graduates, families, and VIP guests.
- Coordinated a team of **50+** student volunteers, delegating tasks and establishing scheduling guidelines to ensure seamless event flow.
- Directed community outreach campaigns and social welfare initiatives, building relationships with local administrators and NGOs to increase event participation.

Event Management

Blockchain Club, VIT Bhopal University

Oct 2023 – Present

Bhopal, India

- Managed the end-to-end execution of **4+** major student events and interactive workshops during the Advitya Fest, attracting a total of **500+** participants.
- Spearheaded public relations and outreach strategies, driving a **40%** increase in student registration and active club membership.
- Facilitated speaker onboarding, vendor management, and event operations, ensuring strict adherence to timelines and college guidelines.

Outreach Lead & Volunteer

Seva247 NGO

Jun 2024 – Present

Jodhpur, India

- Formulated and executed public outreach strategies, expanding the local volunteer network by **25%** and raising community awareness on social issues.
- Coordinated resource distribution campaigns, ensuring timely delivery of essential goods and educational supplies to underprivileged groups.
- Facilitated fundraising initiatives and partner relationships, strengthening the NGO’s reach and community impact.
